

# Giveaway Time: It's a Jewhungry + ModernTribe Mash-Up!

Friends! Hi! How are you? I'm doing well. Just in the midst of finishing up a school year, planning for summer school health class, growing a baby and, of course, EATING! I'm also making new friends. One said new friend is Ari over at ModernTribe. Y'all know about ModernTribe, right? ModernTribe loves bringing meaningful Judaica and Jewish gifts that fit your personal style, help you express your Jewishness your way, and proudly share traditions with friends and loved ones.

I was contacted by Ari to host a giveaway for ModernTribe and was happy to find out that ModernTribe and I have so much in common. Not only are we both from Atlanta but we love being Jewish and especially embrace our kitschy Jewishness with all of our hearts. And so, in celebration of our shared embrace of Jewish kitsch and in prep for Father's Day, ModernTribe and I wanted to host a giveaway.
