# 4 Bloggers Dish: The ultimate latke round-up

Friends! It’s us, the 4 Bloggers who dish, otherwise known as Amy from What Jew Wanna Eat, Liz from Kosher Like Me, Whitney from Jewhungry and Sarah from The Patchke Princess. If you follow any of our blogs, you know that about one and a half years ago, we co-authored a Passover Recipe entitled, “4 Bloggers Dish: Passover; Modern Twists on Traditional Flavors“. We had a ball writing that book and have shared a

special connection ever since. We share in our success, both food and non-food related. It’s pretty awesome.

So, to celebrate this holiday season, our second as 4 Bloggers who do, in fact, dish, we decided to get 8 of our favorite latke recipes together to share with you. Check them out below and, if you’re interested, you can also check out our book by clicking on the title listed in the paragraph above. Chappy Chanukah!
